

Summer 2020 Consortium Agreement Application for Main Campus Students

In light of COVID-19, some main campus students may be able to participate in a consortium agreement during the Summer of 2020 with the approval of their advisor and the Office of Transfer Services.

A Consortium Agreement is a contract between two colleges, universities, or community colleges that recognizes the registration of a student at each site for financial aid purposes. App State will be your *Home School* and the other colleges, universities, or community colleges you attend will be your *Host School*.

To be eligible, 1.) your courses at App and/or your Host School must be **required** for your degree, 2.) your courses must be **approved** by the Office of Transfer Services, and 3.) you must agree to **submit your transcripts** from your Host School to the Office of Transfer Services at the end of the summer session.

Please remember:

- **You are responsible for paying your Host School.** Appalachian will not make payments to your host school on your behalf.
- If you drop classes at your host school without beginning attendance, completely withdraw from all summer classes, or fail to submit your transcripts to the Office of Transfer Services you must notify the Office of Student Financial Aid. **Failing to attend, dropping, or not providing a transcript may cause an adjustment to your summer aid. This could result in a balance due with Appalachian.**

Application Process

- Complete the 2019-20 Free Application for Federal Student Aid (FAFSA). It will take four to six weeks to process the results of the FAFSA.
- Check your AppalNet account to determine if any additional documents are required to complete the processing of your FAFSA.
- Contact the Office of Transfer Services (OTS) to complete the **Visiting Course Request Form**. Please submit a copy of the email from the Office of Transfer Services (ots@appstate.edu) with *your Summer 2020 Consortium Agreement Application*.
- Complete the following *Summer 2020 Consortium Agreement Application* and submit it to the Office of Student Financial Aid (financialaid@appstate.edu) for approval.
- If Appalachian does not already have a standing agreement with your Host School, we will submit a request to participate to your Host School. If your Host School does not agree to participate, Appalachian will be unable to move forward with a consortium agreement.
- All courses at your host school must be transferable to Appalachian State University to meet your degree requirements. Be aware that only grades of "C" or better in your community college courses will transfer to Appalachian.

Financial Aid Awarding and Disbursement

- Your financial aid award package will be developed according to all federal, state, and institutional student eligibility requirements, policies and procedures and the hours of enrollment that you report on this form.
- Your financial aid award package will be posted on your AppalNet account. Read the Terms and Conditions before accepting your financial aid.
- Your financial aid will be disbursed according to the appropriate policies and procedures. Generally, if financial aid requirements are complete prior to the beginning of classes, your financial aid will be credited to your student account to satisfy your Appalachian State University tuition and fees. (Be aware that

financial aid refunds are generally not available before community college billing due dates. You may need to pay your Host School before your financial aid refund is available to you.)

- At the end of the drop/add period for the Host School and Appalachian State University, your hours of enrollment must match the hours on which your financial aid award package was developed. The Host School will be required to notify the Appalachian State University Office of Student Financial Aid of your actual hours of enrollment. If you are enrolled in fewer hours than anticipated, your financial aid award package will be revised. This could require a repayment of some or all of the funds disbursed.
- If you stop attending all of your classes, you are required to officially withdraw from the University. When you withdraw from the University, the Return of Financial Aid Funds for Students Who Withdraw Policy will be used to determine the amount of financial aid to be returned to the respective programs.

At the End of the Summer

- Within three weeks after the end of your exams at your Host School, submit a copy of your transcript to the Office of Transfer Services, John Thomas Hall, ASU Box 32166, Boone, NC 28608- 2054. Failure to do so within the three-week timeframe may indicate that you are an unofficial withdrawal and the Return of Financial Aid Funds for Students Who Withdraw Policy will be used to determine the financial aid that must be returned to the programs.

Once your approved agreement and an approval email from the Office of Transfer Services has been submitted, you may view your application status by logging onto your AppalNet account and clicking on *Self Service* and *Financial Aid*.

We look forward to working with you as you work toward your educational goals.

Sincerely,

Office of Student Financial Aid
