Dear Student,

The Office of Student Financial Aid has received a request to certify an alternative education loan on your behalf for the 2018-2019 academic year. Please be aware that you and your parents (if you are a dependent student) may be eligible to apply for loans from the federal government in addition to, or as a replacement for, your alternative loan. Federal student loans, in general, provide more advantageous interest rates and repayment terms than alternative loans and should be the first option to consider in financing your education.

You can apply for federal aid by completing the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. More information regarding federal student loan programs can be found on our website, www.financialaid.appstate.edu.

Once you have carefully considered your loan options, please complete this form and return it to the Office of Student Financial Aid. **Your alternative education loan will not be processed until this completed form is received by our office.**
