

Dependent Student Verification Worksheet 2018-2019 Academic Year

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "Verification." Before awarding Federal Student Aid, we need you to confirm the information you reported on the FAFSA. In this process, Appalachian State University's Office of Student Financial Aid will compare information from your FAFSA with the documents you are required to submit. If there are differences, in most cases we will be able to send the corrections electronically to the federal processor to have your information reprocessed.

To determine the documents you must submit to complete verification, check your financial aid requirements by logging into your AppalNet account and clicking on the "Financial Aid" tab.

We must receive and review the requested information, under the financial aid program rules (34 CFR, Part 668).

You may fax, mail, email, or hand-deliver documents to:

You should complete verification as soon as possible; failure to complete verification timely could result in delays in or loss of financial aid eligibility. Please carefully read and follow the directions in this document, on your AppalNet account, and on all other forms you have been requested to submit. If you have questions, please contact our office.
